Dear Ms. Peterson:

I am writing to express our sincere appreciation for the consistently superior level of support that you provided to the Career Trainee Development Course, the Agency's orientation course for junior professionals. Through the numerous visits to the Department of State, which you carefully organized and successfully implemented, and your active participation in our State Department Panel Exercise, you have given our Career Trainees a solid understanding of the organization and mission of the Department and, perhaps more importantly, have greatly enhanced their ability

and for the thoroughness and vibrancy that you brought to the programs which you organized or directed for us. Your positive attitude toward the Agency has not gone unnoticed by our Trainees and has helped lay the foundation for a sense of shared mission and cooperation with the Department.

We wish you well as you begin your new assignment as Chief, Inter-American Affairs, Office of Citizen's Consular Affairs.

Sincerely,

Director, Office of Training
